www.ThayerCountyMuseum.com

Thank you for your interest in joining the Thayer County Historical Society. We look forward to sharing our enthusiasm of the history of Thayer County with you.

Our meetings are approximately every 4 weeks on Monday evenings at 6:30, usually in the Annex Building. The schedule is on the website. Our communications about the meetings, and major events, is through **email**.

If you do not use email, we can send the notice to your phone, if we have both the cell phone number and the provider of your cell phone service. When meeting notice is sent via text, usually only the information in the subject line is readable on a phone, so email is definitely a better way for us to communicate.

The President, sends out an agenda via email about 10 days prior to the meetings. Other emails would be for the Spring Supper, Fall Festival, and occasionally the Nebraska State Historical Society news.

Name _____

Address _____

City, State, Zip _____

Phone _____
